

Reasonable expenses include the value of work, at the Federal minimum wage, that you or a member of your household perform.

- (2) If you move insured property to a location other than the **described location** that contains the property, in order to protect it from **flood** or the imminent danger of **flood**, we will cover such property while at that location for a period of 45 consecutive days from the date you begin to move it there. The personal property that is moved must be placed in a fully enclosed **building** or otherwise reasonably protected from the elements.

Any property removed, including a moveable home described in **II.B.6.b.** and **c.**, must be placed above ground level or outside of the **special flood hazard area**.

This coverage does not increase the Coverage **A** or Coverage **B** limit of liability.

3. Condominium Loss Assessments

- a. If this **policy** insures a **unit**, we will pay, up to the Coverage **A** limit of liability, your share of loss assessments charged against you by the **condominium association** in accordance with the **condominium association's** articles of association, declarations and your deed.

The assessment must be made as a result of **direct physical loss by or from flood** during the **policy** term, to the **building's** common elements.

- b. We will not pay any loss assessment charged against you:
 - (1) And the **condominium association** by any governmental body;
 - (2) That results from a deductible under the insurance purchased by the **condominium association** insuring common elements;
 - (3) That results from a loss to personal property, including contents of a **condominium building**;
 - (4) That results from a loss sustained by the **condominium association** that was not reimbursed under a flood insurance **policy** written in the name of the association under the **Act** because the **building** was not, at the time of loss, insured for an amount equal to the lesser of:

- (a) 80 percent or more of its full replacement cost; or

- (b) The maximum amount of insurance permitted under the **Act**;

- (5) To the extent that payment under this **policy** for a **condominium building** loss, in combination with payments under any other **NFIP policies** for the same **building** loss, exceeds the maximum amount of insurance permitted under the **Act** for that kind of **building**; or

- (6) To the extent that payment under this **policy** for a **condominium building** loss, in combination with any recovery available to you as a tenant in common under any **NFIP condominium association policies** for the same **building** loss, exceeds the amount of insurance permitted under the **Act** for a single-family dwelling.

Loss assessment coverage does not increase the Coverage **A** limit of liability.

D. COVERAGE D - INCREASED COST OF COMPLIANCE

1. General

This **policy** pays you to comply with a State or local floodplain management law or ordinance affecting repair or reconstruction of a structure suffering **flood** damage. Compliance activities eligible for payment are: elevation, floodproofing, relocation, or demolition (or any combination of these activities) of your structure. Eligible floodproofing activities are limited to:

- a. Nonresidential structures.
- b. Residential structures with **basements** that satisfy FEMA's standards published in the Code of Federal Regulations [44 CFR 60.6 (b) or (c)].

2. Limit of Liability

We will pay you up to \$30,000 under this Coverage **D** - Increased Cost of Compliance, which only applies to **policies** with **building** coverage (Coverage **A**). Our payment of claims under Coverage **D** is in addition to the amount of coverage which you selected on the **application** and which appears on the **Declarations Page**. But the maximum you can collect under this **policy** for both Coverage **A** - Building Property and Coverage **D** - Increased Cost of Compliance cannot exceed the maximum permitted under the **Act**. We do not charge a separate deductible for a claim under Coverage **D**.

3. Eligibility

a. A structure covered under Coverage A - Building Property sustaining a loss caused by a flood as defined by this policy must:

(1) Be a "repetitive loss structure." A repetitive loss structure is one that meets the following conditions:

(a) The structure is covered by a contract of flood insurance issued under the NFIP.

(b) The structure has suffered flood damage on two occasions during a 10-year period which ends on the date of the second loss.

(c) The cost to repair the flood damage, on average, equaled or exceeded 25 percent of the market value of the structure at the time of each flood loss.

(d) In addition to the current claim, the NFIP must have paid the previous qualifying claim, and the State or community must have a cumulative, substantial damage provision or repetitive loss provision in its floodplain management law or ordinance being enforced against the structure; or

(2) Be a structure that has had flood damage in which the cost to repair equals or exceeds 50 percent of the market value of the structure at the time of the flood. The State or community must have a substantial damage provision in its floodplain management law or ordinance being enforced against the structure.

b. This Coverage D pays you to comply with State or local floodplain management laws or ordinances that meet the minimum standards of the National Flood Insurance Program found in the Code of Federal Regulations at 44 CFR 60.3. We pay for compliance activities that exceed those standards under these conditions:

(1) 3.a.(1) above.

(2) Elevation or floodproofing in any risk zone to preliminary or advisory base flood elevations provided by FEMA which the State or local government has adopted and is enforcing for flood-damaged structures in such areas. (This includes compliance activities in B, C, X, or D zones which are being changed to zones with base flood elevations. This also includes compliance activities in zones where base flood

elevations are being increased, and a flood-damaged structure must comply with the higher advisory base flood elevation.) Increased Cost of Compliance coverage does not apply to situations in B, C, X, or D zones where the community has derived its own elevations and is enforcing elevation or floodproofing requirements for flood-damaged structures to elevations derived solely by the community.

(3) Elevation or floodproofing above the base flood elevation to meet State or local "freeboard" requirements, i.e., that a structure must be elevated above the base flood elevation.

c. Under the minimum NFIP criteria at 44 CFR 60.3 (b)(4), States and communities must require the elevation or floodproofing of structures in unnumbered A zones to the base flood elevation where elevation data is obtained from a Federal, State, or other source. Such compliance activities are also eligible for Coverage D.

d. This coverage will also pay for the incremental cost, after demolition or relocation, of elevating or floodproofing a structure during its rebuilding at the same or another site to meet State or local floodplain management laws or ordinances, subject to Exclusion D.5.g. below.

e. This coverage will also pay to bring a flood-damaged structure into compliance with State or local floodplain management laws or ordinances even if the structure had received a variance before the present loss from the applicable floodplain management requirements.

4. Conditions

a. When a structure covered under Coverage A - Building Property sustains a loss caused by a flood, our payment for the loss under this Coverage D will be for the increased cost to elevate, floodproof, relocate, or demolish (or any combination of these activities) caused by the enforcement of current State or local floodplain management ordinances or laws. Our payment for eligible demolition activities will be for the cost to demolish and clear the site of the building debris or a portion thereof caused by the enforcement of current State or local floodplain management ordinances or laws. Eligible activities for the cost of clearing the site will include those necessary to discontinue utility service to the site and ensure proper abandonment of on-site utilities.

b. When the building is repaired or rebuilt, it must be intended for the same occupancy as the present building unless otherwise required by current floodplain management ordinances or laws.

5. Exclusions

Under this Coverage D - Increased Cost of Compliance, we will not pay for:

- a. The cost to comply with any floodplain management law or ordinance in communities participating in the **Emergency Program**.
- b. The cost associated with enforcement of any ordinance or law that requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of **pollutants**.
- c. The loss in value to any insured **building** or other structure due to the requirements of any ordinance or law.
- d. The loss in residual value of the undamaged portion of a **building** demolished as a consequence of enforcement of any State or local floodplain management law or ordinance.
- e. Any Increased Cost of Compliance under this Coverage D:
 - (1) Until the **building** is elevated, floodproofed, demolished, or relocated on the same or to another premises; and
 - (2) Unless the **building** is elevated, floodproofed, demolished, or relocated as soon as reasonably possible after the loss, not to exceed 2 years (see **3.b.**).
- f. Any code upgrade requirements, e.g., plumbing or electrical wiring, not specifically related to the State or local floodplain management law or ordinance.

- g. Any compliance activities needed to bring additions or **improvements** made after the loss occurred into compliance with State or local floodplain management laws or ordinances.
- h. Loss due to any ordinance or law that you were required to comply with before the current loss.
- i. Any rebuilding activity to standards that do not meet the **NFIP's** minimum requirements. This includes any situation where you have received from the State or community a variance in connection with the current **flood** loss to rebuild the property to an elevation below the **base flood** elevation.
- j. Increased Cost of Compliance for a garage or carport.
- k. Any structure insured under an **NFIP Group Flood Insurance Policy**.
- l. Assessments made by a **condominium association** on individual **condominium unit** owners to pay increased costs of repairing commonly owned **buildings** after a **flood** in compliance with State or local floodplain management ordinances or laws.

6. Other Provisions

- a. Increased Cost of Compliance coverage will not be included in the calculation to determine whether coverage meets the 80 percent insurance-to-value requirement for replacement cost coverage as set forth in **VII. General Conditions, V. Loss Settlement**.
- b. All other conditions and provisions of this **policy** apply.

IV. PROPERTY NOT COVERED
