3. Have furnished accurate information and statements.

We have the right to review the information you give us at any time and to revise your **policy** based on our review.

**II. DEFINITIONS**

**A.** In this **policy**, "you" and "your" refer to the insured(s) shown on the **Declarations Page** of this **policy** and your spouse, if a resident of the same household. "Insured(s)" includes: Any mortgagee and loss payee named in the **Application** and **Declarations Page**, as well as any other mortgagee or loss payee determined to exist at the time of loss in the order of precedence. "We," "us," and "our" refer to the insurer.

Some definitions are complex because they are provided as they appear in the law or regulations, or result from court cases. The precise definitions are intended to protect you.

**Flood**, as used in this flood insurance **policy**, means:

1. A general and temporary condition of partial or complete inundation of two or more acres of normally dry land area or of two or more properties (at least one of which is your property) from:
  - a. Overflow of inland or tidal waters;
  - b. Unusual and rapid accumulation or runoff of surface waters from any source;
  - c. **Mudflow.**

**2.** Collapse or subsidence of land along the shore of a lake or similar body of water as a result of erosion or undermining caused by waves or currents of water exceeding anticipated cyclical levels that result in a **flood** as defined in **A.1.a.** above.

**B.** The following are the other key definitions that we use in this **policy**:

1. **Act.** The National Flood Insurance Act of 1968 and any amendments to it.
2. **Actual Cash Value.** The cost to replace an insured item of property at the time of loss, less the value of its physical depreciation.
3. **Application.** The statement made and signed by you or your agent in applying for this **policy**. The **application** gives information we use to determine the eligibility of the risk, the kind of **policy** to be issued, and the correct premium payment. The **application** is part of this flood insurance **policy**. For us to issue you a **policy**, the correct premium payment must accompany the **application**.
4. **Base Flood.** A **flood** having a one percent chance of being equaled or exceeded in any given year.
