

# V. STANDARD FLOOD INSURANCE POLICY

## A. INTRODUCTION

The Standard Flood Insurance Policy (SFIP) specifies the terms and conditions of the agreement of insurance between either the Federal Emergency Management Agency (FEMA) as insurer (for policies issued by the NFIP Servicing Agent) or the WYO company as insurer (for policies issued by the WYO Program) and the named insurer.

Named insurers in NFIP participating communities include homeowners, renters, business owners, builders of buildings that are in the course of construction, condominium associations, owners of residential condominium units, and mortgagees/trustee (applicable to building coverage only.)

### 1. The Three Policy Forms

There are three policy forms – Dwelling Form, the General Property Form, and the Residential Condominium Building Association Policy. Each is used to insure a different type of property. All, however, contain certain terms and conditions (e.g., Mortgage Clause, Reformation of Coverage) that are unique to flood insurance.

### 2. Use of Policy Forms

The SFIP policy forms must be used for all new and renewal policies that become effective on or after December 31, 2000. On the following pages, you will find a coverage comparison table and a detailed commentary on key provisions of each form.

The Liberalization Clause applies to losses occurring on or after December 31, 2000, for policies written on the *old* SFIP forms.

### 3. Currentness of Information

The National Flood Insurance Reform Act of 1994 substantially revised the SFIP. As noted above, FEMA revised the SFIP in December 2000. FEMA published and maintains the *Adjuster Claims Manual* with its integrated explanations of the 2000 SFIP. FEMA published and maintains Policy issuances and Claims and Underwriting Bulletins to further explain and clarify coverage under the SFIP. These are available at [www.fema.gov/library](http://www.fema.gov/library). All other earlier policy explanations, coverage interpretations, policy guidance memorandums, and letters are superseded and should not be referred to in determining coverage.

## B. COVERAGE COMPARISON TABLE

The table on pages V-2 and V-3 shows similarities and differences among the three SFIP forms for more than 30 coverage items.

### C. POLICY FORMS AND COMMENTARIES

The SFIP forms, along with a commentary on each, are reproduced on the following pages in this order: Dwelling Form, General Property Form, and Residential Condominium Building Association Policy. This section of the manual uses a side-by-side format in which:

1. Each left-hand page reproduces a page of the SFIP; and
2. Each facing right-hand page provides commentary about the policy changes and other coverage issues important to claims adjusters.

The footer on each page includes the name of the policy form, so you'll know which form of the SFIP is being shown and discussed.
